Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiner proposed amendments to claims 13 and 16. Counsel agreed with the proposed amendment made to claim 13. With respect to claim 16, however, counsel argued that the method recited in claim 16 inherently includes the limitation of the haze-prevention layer in contact with the substrate and the reflective layer and therefore no amendment is necessary. The Examiner agreed. The proposed amendment made to claim 16 has been withdrawn.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
